

# BOPPW200

This is an 8 mil white BOPP top coated for excellent print-ability. Compatible print methods include but are not limited to flexo, offset, screen, thermal transfer, and UV inkjet. This face sheet has extra tear resistance. It may be sewn or grommeted. Other benefits include high opacity for two sided printing, high scuff resistance, and excellent weather resistance. Available 4 mils to 10 mils in thickness.

**BOPPW200 8.0 mil White BOPP Matte TC Extra Tear Resistance**
