

CC187

This white polyester film has a matte printable face that is flexo, thermal transfer, UV inkjet, and off set printable. The PET stock is heat resistant, water resistant, and tear resistant. Great for durable labels. More than 25% of the raw materials in the face stock are recycled resin from post-consumer PET bottles. The adhesive is a general purpose perm supported by a 40# liner.

OLIPS187 7.5 mil White PET primer 2 sides

TC50601 A general purpose permanent acrylic adhesive with good initial tack, high shear and ultimate adhesion.

SL055 42# SCK Liner - Easy Release
