

# CCIMS050

This bright white polyester film with a digital matte universal coating on the face is ideal for the face stock of an ID card, hang tag, or key fob. You can also use this face stock for a premium film label. It is ink jet and laser compatible, heat resistant, and water resistant. The digital top coat works well with several of the digital platforms in the market place including Epson, Memjet, and HP Indigo.

- TC50107 Matte Ink Jet Top Coating
- TC50303 Water Gloss Primer
- PETWP050 2 mil Bright White PET Chem Treat Two Sides
