

CFBBF038G

This is a coupon film for use in the production of clean release cards. The pattern coupon with lift edges allows for the ID cards or coupons to be affixed and not pre-dispense, even when heavy processing is expected. You can laminate the face stock of your choice. The film base liner allows for excellent performance in high speed affixing applications Coupon film with two liners is available upon request.

CFBBS038G Coupon Film .75 + .75 mil BOPP "G" Pattern
