

CLBBF034G

Coupon film ideal for use in the production of clean release cards. The pattern coupon with lift edges allows for the ID cards to be affixed and not pre-dispense, even when heavy processing is intended. You can laminate the face stock of your choice. The base liner is a 1.5 mil clear PET ideal for high speed affixing. Coupon film with two liners is also available upon request. The G pattern is 4up on a 9.875" roll.
