

LVWE080

This is a 3.2 mil white vinyl face stock. The adhesive is a laser safe, outdoor drum label permanent adhesive. The liner is a 4.6 mil clay coated lay-flat liner. Ideal for digital imaging when a laser or inkjet topcoat is added. The face stock is very durable, water resistant, and tear resistant. The liner is printable via flexo, offset, and even some laser. The clay coat allows for optimal feeding inside production digital equipment.
