

# LWXE050

The face stock is a 2.0 mil white polyester with a matte digital top coat. This top coat is printable flexo, thermal transfer, and laser. The top coat is scratch resistant and water resistant. The adhesive is a laser safe perm for outdoor use. The liner is a 4.6 mil clay coated lay flat. This stock is durable, water resistant, and tear resistant. The liner is printable via flexo, offset, and even some laser. The clay coat improves printer feed.
