

OLMVE026

1 mil clear PET with a soft-feel matte over-laminate for labels on press. This soft-feel matte topcoat is ideal when you are looking to enhance the look and feel of your label. Applications include prime labels and packaging labels. The topcoat exhibits excellent scratch resistance and chemical resistance. This face stock also has excellent durability, and along with our chemical and water resistant #50610 permanent adhesive, this product will have excellent wet-out properties.

- TC50914 Soft Matte Top Coat
- PET025 1 Mil Clear PET untreated
