

# PBIJ088

This is a piggyback label stock with a standard perm adhesive for a wide variety of label applications. The face stock is a 60# digital matte that can be both press printed and digitally printed. The fast drying face stock is compatible with all inkjet systems as well as all laser systems. This material can be die cut and applied on a label applicator or applied on a patch applicator with no die cutting. Ideal for printing high color with the inkjet system of your choice.
