

PBLIR050

This is a piggyback label stock with an ultra removable cling adhesive for window decal and other durable label applications. The face stock is a super clear PET that has a premium high gloss top coat. It can be press printed and laser printed. This topcoat is used where ultimate clarity and gloss is a must and it will still accept variable printing. Designed for color laser printers and HP Indigo. This is our most popular face stock when high color print is used. Wet out is also very good. This face stock makes your print look great.
