

# PBWDMU051

This is a piggyback label stock with a BS5609 certified adhesive for durable label applications. The face stock is a bright white matte laser that can be both press printed and laser printed. The decal is water resistant and very durable. This material can be die cut and applied on a label applicator or applied on a patch applicator with no die cutting. The premium durable matte laser coating is intended for harsh environments such as dishwashers or outdoor use.
