

PHB143

This is a piggy “half-back” label stock with permanent adhesive and a 50# base liner. Add the face stock of your choice on press. This material can be die cut and applied on a label applicator or applied on a patch applicator with no die cutting. Great to use when you have a specialty substrate such as a blood bag label stock and you need to make it piggyback.

- SL5055 42# SCK Liner - Medium Release
- TC50601 #601 General Purpose Perm Adhesive
- SL080 50# SCK - Easy Release
