

# TTEB050

Two liner transfer tape used to add adhesive to the substrate of your choice. Print on to the face and back of a window decal and then laminate adhesive over the print. You can also use this to make a piggyback label stock out of any pressure sensitive face stock. The waste liner is ultra easy to insure no adhesive confusion. The base liner is a medium release and will work with many applications such as tamper evident and RFID.

**SL01055 42# SCK Liner Premium Easy Release**

**TC50602 #602 AT High Tack Perm**

**SL5081 50# SCK Liner - Medium Release**
